

APPRENTICESHIPS

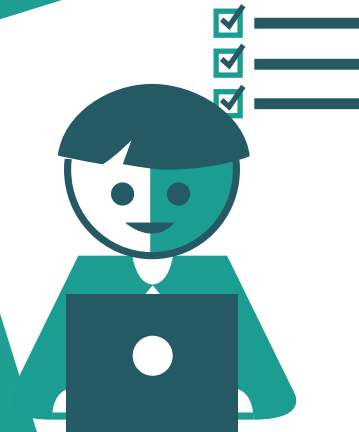

FIND THE RIGHT

TRAINING PROVIDER

1

Consider these...

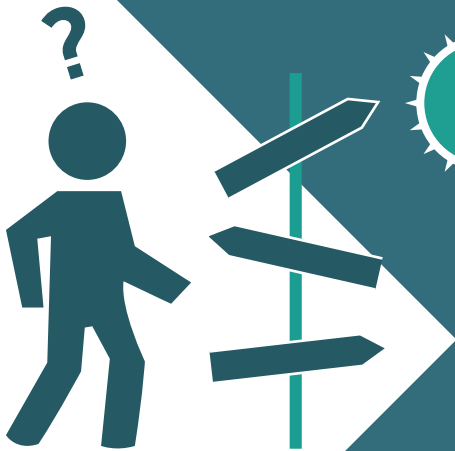

- 👍 Does the provider's organisational culture & values match yours?
- 👍 How do you want the training tailored to your business need?
- 👍 Do you want the training on a local or national scale?
- 👍 How will they deliver it and when can they start?
- 👍 Who can best deliver this - a college, private provider or HE institution?

2

What does good look like?

- 👍 Check provider satisfaction ratings on Find Apprenticeships Training
- 👍 What are their achievement rates & Ofsted rating?
- 👍 Visit them to check out their facilities & speak to their trainers
- 👍 Ask to speak to some current apprentices - are they passionate about what they are learning?

3

Get a great deal

- 👍 Shop around & get a quote for what you need. Remember, the price is negotiable!
- 👍 Check they offer the new employer-led apprenticeship standards
- 👍 If you are doing a standard, choose the right end-point assessor for you - remember to make sure that it's included in the price!
