In becoming registered with England Golf as an Inclusive Golf Facility

The facility pledges to:

- Complete the inclusive facility healthcheck to identify areas of support
- Act on the healthcheck to identify areas to improve the experience for disabled people
- Support the coaching and club workforce to have a positive and confident attitude toward supporting disabled people
- Publicly state their commitment to inclusive activities on its website
- Ensure that the facility and/or course is accessible to all players of all abilities and any access requirements will be dealt with in a positive and respectful manner

The inclusive facility agrees to comply with the Equality Act and indemnifies England Golf for all liability which it might incur as a result of the inclusive facility’s failure to do so
