APPEALS PROCESS

In the event that an individual believes that this policy has not been implemented during the selection for or recruitment to an England Golf Team, Coaching Squad or Regional Coaching Squad, the individual concerned has the right to appeal against any such decision. Leave to appeal can only be sought on one or more of the following grounds:

- the decision was based on error of fact or could not have been reasonably reached by a selection committee when faced with the evidence before it;
- serious procedural or other irregularity in the proceedings;
- significant and relevant new evidence has become available which was not available before the selection committee but which could have been available at the time of the decision, and, had it been available, may have caused the selection committee to reach a materially different decision; and/or
- the decision was manifestly unreasonable in the light of the facts before the selection committee.

The party seeking leave to appeal (the 'Appellant') shall serve a Notice of Appeal in writing upon the England Golf Legal & Compliance Manager within three working days following their notification of a missed team selection or 10 working days following their notification of a missed squad selection or the announcement of the team/squad selection against which the appeal is being made or, in the event of significant and relevant new evidence, within 10 working days of that coming to light.

The Notice of Appeal shall state the date and decision against which the appeal is lodged; state the grounds of appeal relied upon; set out the statement of facts upon which the appeal is based; and include any supporting documentation upon which the Appellant will rely.

Upon receipt of the Notice of Appeal, the Legal & Compliance Manager will consider the matter and decide if the Notice of Appeal shows that grounds are made out for the appeal to be determined. If the Legal & Compliance Manager is satisfied that there are grounds to do so he/she shall refer the Appeal to the Appeals Panel. The appeal shall be dealt with in accordance with the appeals process under the England Golf Disciplinary & Appeal Regulations and the Appeals Panel may reject the appeal; partially uphold the appeal; or fully uphold the appeal. In the event that the Appeals Panel partially or fully upholds the appeal, it shall also specify what action should then take place which may include reconvening the selection committee.
