What are the changes?

- People must not meet with members of other households in private homes or gardens, unless in a support bubble

What remains unchanged?

Aside from those changes outlined above, no other changes to the guidance in our ‘Framework for Playing Golf’ are required. The current guidance can be found here - https://www.englandgolf.org/download/a-framework-for-playing-golf/

This includes

- Playing of golf outdoors may continue in its current format
- Up to six different households may continue to interact with one another in outdoor areas
- Pro’s Shops may remain open with mandatory wearing of face coverings
- Face coverings must also be worn in all public areas of the clubhouse, except for whilst eating and drinking
- A legal obligation for clubs to collect track and trace information on all visitors to the clubhouse and to retain this information for 21 days

Clubs/facilities should adhere to the guidelines provided. These have been published to assist clubs/facilities in providing as safe an environment as they can. Failure to follow this guidance may leave clubs/facilities open to enforcement action from local authorities and/or Police, or subject to disciplinary procedures from England Golf.
